

BACG 2020 Annual Conference: Notice of Event Cancellation

It is with great regret that we have to announce that the 2020 Annual Meeting of the BACG now is cancelled. Great uncertainty remains over the future spread and severity of the COVID_19 epidemic and therefore this seems the safest outcome for all. We apologise for the cancellation, but these are exceptional times and it was not an easy decision. We will be in contact in order to announce future events.
